

Nurse Referral Incentive - Up to €250 in Vouchers

3Q Recruitment is actively seeking dedicated nurses for our nurse jobs in Ireland. If you know a great nurse, we want to meet them! Simply provide us with your details and your friend's details to be eligible to receive up to €250 in vouchers, subject to the conditions below.

€100 voucher - Interview attendance

If the nurse you refer attends an interview arranged through 3Q Recruitment, you are guaranteed to receive a €100 voucher, even if the nurse is not successful in their interview.

Additional €150 One4All Gift Voucher - 12 weeks in the role

If your friend is successful in their interview and starts in the role through 3Q Recruitment, you will be eligible for an additional €150 One4All Gift Voucher. To receive this voucher, the referred nurse must remain in the role for 12 weeks. The voucher will be issued after the completion of those 12 weeks.

The referrer must be identifiable and known to 3Q Recruitment at the time of referral.

This referral offer is subject to availability, may be amended or withdrawn at any time, and applies only to nurse roles explicitly advertised as part of the referral programme.
